

# EU REGULATION 2020/740

TYRE LABELLING | IVECO

#### INFORMATION

The Union has committed itself to creating an energy union with a forward-looking climate policy. Fuel efficiency is a key component of the Union's 2023 climate and energy policy framework and is central to curbing energy demand.

#### **Implementation**

Regulation (EU) 2020/740 came into force on 25 June 2020. It repeals and replaces Regulation (EC) No 1222/2009 with effect from 1 May 2021, its date of application. The regulation creates a framework to provide harmonised information on tyre parameters through labelling, enabling end users to make informed decisions when purchasing tyres. The aim is to promote fuel-efficient, safe and low-noise tyres, and thus increase the economic and ecological efficiency of road traffic.

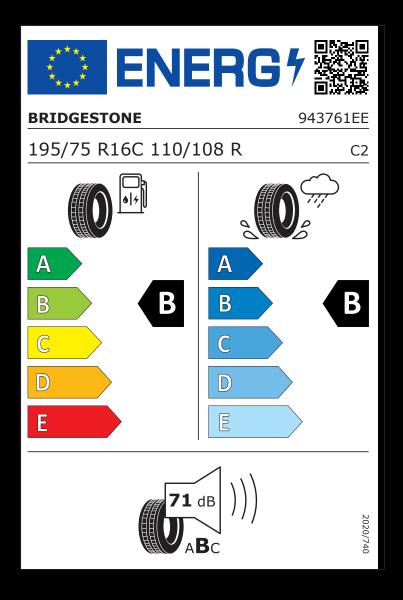

While the content and format of the tyre labelling, i.e. the tyre label, is defined in Annex II, Annex I contains regulations for testing, classification and measurement of the following parameters:

- (A) Fuel efficiency classes and rolling resistance coefficient
- (B) Wet grip classes
- (C) Classes of external rolling noise and measured values
- (D) Snow traction
- (E) Ice traction

Prior to the sale, the Carthago Group is obliged to provide end users with the label for the offered or fitted tyres, as well as the corresponding technical promotional material. It must also ensure that the product data sheet is available.

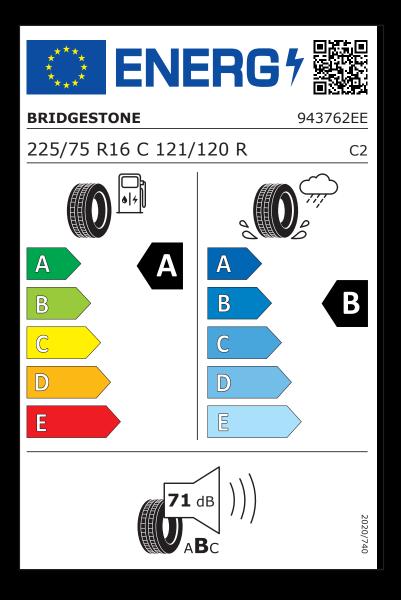

Your configured vehicle may be equipped with any of the tyre brands listed here, depending on availability at the base vehicle manufacturer and its suppliers.

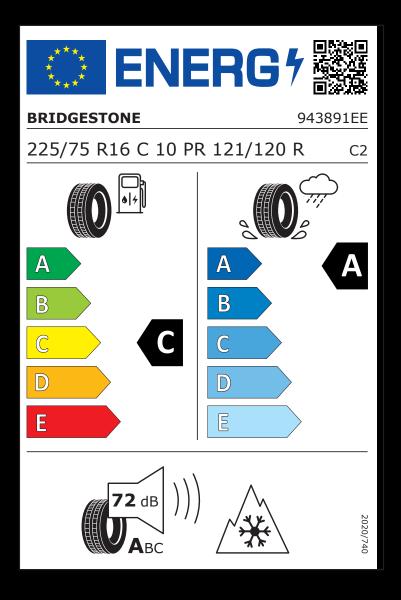

Supplier name or trademark		BRIDGESTONE	
Commercial name or trade designation		DURAVIS R660	
Tyre type identifier	Tyre class	943761EE	C2
Tyre size designation		195/7	5 R16C
Speed category symbol		R 170	) km/h
Load-capacity index (for s	single mounting)	1	10
Load-capacity index (for c	dual mounting)	10	08
Fuel efficiency class			В
Wet grip class			В
External rolling noise class	External rolling noise value	В	71 dB
Tyre for use in severe snow conditions		No	
Load-capacity index for Additional Service Description (for single mounting)		-

## PRODUCT DATA SHEET

Name or trademark of supplier		CONTINENTAL	
Trading name or trademark		VANCOFOURSEASON 2	
Tyre type code	Tyre class	0473357	C2
Tyre type specification		235/65 R 16 C	
Speed category symbol		R 170 km/h	
Tyre load index (for single tyres)		115	
Tyre load index (for double tyres)		113	
Fuel efficiency class		D	
Wet grip class		В	
External rolling noise class	External rolling noise value	В	73 dB
Tyres suitable for use in extreme snow conditions		Yes	
Tyre load index for additional company identification (for single tyres)		-	
Tyre load index for additional company identification (for double tyres)		-	
Speed category symbol (for additional company identification)			
Manufacturing start date (week / year)		13/10	
Manufacturing start date (week / year)		-	
Supplier address		Continental Reifen Deutschland GmbH, Continen- tal-Plaza 1, 30173 Hannover, DE
